RE: IN THE MATTER OF THE APPLICATION OF AMBIT NORTHEAST, LLC D/B/A AMBIT ENERGY FOR A CERTIFICATE TO PROVIDE ELECTRIC SUPPLY SERVICES WITHIN THE STATE OF DELAWARE (FILED JANUARY 16, 2013) - PSC DOCKET No. 13-21

Dear Ms. Adams –

The Delaware Public Service Commission ("Commission") is in receipt of the customer agreements for Residential and Small Commercial Customers used by Ambit Northeast, LLC d/b/a Ambit Energy. Staff requests revisions as stated below in order to comply with 26 Del. Admin C. §3001¹ ("Supplier Rules").

Section 6.2.2.9 of the Supplier Rules provides as follows: **The Electric Supplier's local or toll-free telephone number to obtain information and handle complaints; mailing address and website address; the Commission's address website address, Delaware toll-free telephone number; and the DPA's address, website address, and telephone number.** Please include (800)282-8574 as the Commission's Delaware toll-free telephone number.

The Billing and Payment section of the Disclosure Statement and Terms of Service states that "Customer will pay each monthly bill in full in accordance with regulatory requirements of the DE PSC. Customer may obtain additional information by contacting the DE PSC." Please remove this language as the Commission regulations do not provide any requirements regarding payment of monthly bills.

I can be reached at (302) 736-7521 or by email at malika.davis@state.de.us, should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Malika Davis".
